

# Paradise Valley, Arizona Residence

## Before/After Photos

Landscape Design by Marie White  
Living Rooms Landscape Design  
480-540-1222

Completed August 2008

BEFORE

Objective: Clean up exterior, add retaining boulders, plant for a lush desert look

AFTER

BEFORE

Objective: Create a more inviting driveway, provide additional parking

AFTER

BEFORE >

Objective: Create a more inviting entry area that better reflects the architecture of the home

< AFTER >

BEFORE

AFTER

Objective: Clarify entry area

BEFORE

Objective: Add serenity by enclosing courtyard with a taller solid wall, add more space for outdoor dining/entertaining, add soothing sound of water - also creating a focal point from the dining room window

AFTER

BEFORE

AFTER

Objective: Maintain view through length of property, match style of front courtyard, find a place for the large bowl planter

BEFORE

AFTER

Objective: Add an outdoor fireplace, seating options and include a water feature to cover some street noise

BEFORE

AFTER

Objective: Add outdoor living areas including a fireplace and BBQ, and a water feature to cover street noise

BEFORE

AFTER

Objective: Add interest to borders,  
add privacy plantings, add a sandbox  
for the grandchildren

BEFORE

AFTER

Objective: Improve main path to outdoor living area, position plants to be seen from inside the house

BEFORE

AFTER

Objective: Visually enlarge entertaining area off living room/kitchen, add a focal point

BEFORE

AFTER

Objective: Create more privacy, integrate architectural elements, add a water feature to cover some street noise

BEFORE

AFTER

Objective: (View from golf course) Create more privacy, integrate architectural elements

BEFORE

AFTER
